

Forest Home's Campership Guidelines

Thank you for inquiring about our Forest Home Campership Assistance Program. At Forest Home, we do our best to price our camps at what it costs us to run them and keep our facilities well maintained. However, for some, those fees are sometimes out of reach. For that reason, Forest Home has established a Campership Fund for the purpose of providing financial assistance to those who would not otherwise be able to attend Forest Home sponsored camps.

The Forest Home Campership fund is made possible through donations received from many thoughtful individuals who recognize the valuable impact on a person's life that a Forest Home camp experience can make. Many of our camperships are made available through our Forest Home Women's Auxiliary. Campership money is never raised from the fees we charge our campers.

It is our desire to provide a life changing camping experience. To ensure as many people as possible benefit from this program, you are eligible to apply for a campership two times over a five year period.

In order to complete your application, we request that you follow each step in this simple application process.

1. *Consider what amount you can contribute to the cost of camp.*

Assistance is normally granted on a partial basis as need is determined. It is expected that each applicant will contribute towards the cost of camp to the extent of personal ability. The maximum amount that Forest Home will provide for any individual is on half of the camper fee. We are happy to work out an installment payment plan if that will make payment easier.

2. *Help us understand your financial situation by completing the questions in the spaces provided.*
3. *Return the campership assistance application to the Forest Home Registration office.*

**Please return form to church coordinator, if camper is attending under a group.*

In order for Forest Home to process your application, please be sure the following items have been completed:

- Register for the conference with the appropriate registration form via our web page, fax, or phone.
- Pay the appropriate deposit for the conference (refundable if campership is denied).
- Submit Campership Assistance Application Form.

We hope that you will take time to prayerfully complete this campership process. If you feel these requirements would prevent you from applying, please contact us and we will review your specific situation.

If you have any question, please call our Registration Department at 909.389.4401 and someone would be happy to walk you through the process.
