Dear Ministry Partner,

At Forest Home we have the incredible privilege of watching God impact people's lives each and every day. It is an awesome experience to see how He draws people to Himself – sometimes for the first time, other times drawing them into a deeper relationship with Him, or perhaps even calling them into full-time ministry.

Regardless of the experience, we see God consistently impact lives here with the message of His hope, His unconditional love, and His healing touch. We see Him move in the hearts of men, women, boys, and girls. We joyfully watch Him bring healing to hurting teens, marriages, and families. We marvel as He continues to impact lives for eternity.

Forest Home is committed to sharing the glorious Gospel of Jesus Christ through the Christian camping experience. The message of Christ's love and redemption is a story that we never tire of telling. We believe we must reaffirm the value of camping for those who come after us.

As a non-profit organization, we rely on the partnership of many generous individuals who have been impacted by this ministry. Our camper fees do not cover the entire cost of the camp experience. Your support allows us to keep our camper fees at a reasonable rate.

Here you will find a variety of ways you can partner with us so we can continue providing this experience for future generations. Please prayerfully consider what God will have you do to support this ministry.

Together, we can continue to provide a quality camp experience where people can come, connect with God, and experience the redeeming power of His love. Together, we can work to help complete the stories that God has started in the lives of those who come here.

Thank you for your partnership and generous support as we seek to provide meaningful camp experiences. We look forward to continuing this rich ministry that God has called us to for more than 71 years.

In His Name,

Stan White
President

You can be a part of reaffirming the value of camping for those who come after us by providing support to our Life Impact and Scholarship Programs. A gift to our Life Impact monthly giving program sustains the front lines ministry so we can provide meaningful camp experiences for those who come here. A gift to our scholarship fund will help reduce the cost of camp for families, students, and others who have been touched by unemployment or other hardships. Wherever you give, you will take part in God's plan to bring healing and hope to marriages, families, teens, and children.

CAMPER EXPERIENCE

We all like the simple comforts of home - a comfortable chair, a warm bed, a clean floor, and clean bathrooms. So much learning and team building happens while kids are playing at camp, and it's often these times of fun that set the stage for touching their hearts later. Every summer these sport and play items are used by thousands of kids, which means they must be repurchased frequently. Help keep recreation safe and fun by giving the gift of play.

RECREATION

A contribution to Staff Salaries assists the ministry of Forest Home now and well into the future as we care for those who serve year-round. One of the cornerstones of Forest Home is the quality of our staff. Help us hire, train, retain, and invest in the staff who care for you in a variety of ways. By giving toward Summer Staff Salaries, you are investing in the life of a college student, many of whom will be led into full-time ministry because of their experience here. You also have the unique opportunity to sponsor a Child Care Assistant (CCA). This gift provides a teenage girl the opportunity to serve our Family Campers by caring for their children throughout their week of summer camp. CCA's receive no compensation, but are rewarded for their service with their own camp experience – including worship, teaching, team-building activities, and valuable time building relationships with the staff.

CCA PROGRAM: \$25 (Sponsor a CCA for a week)

STAFF SALARY: \$100

SUMMER STAFF SALARY: \$155

The impact that Forest Home Family Camp has had on our family is almost impossible to put into words. At Forest Home, we are allowed to spend an entire week together — really together. We don't worry about work, cell phones, shopping, preparing meals, where our kids are, or who they are with, and there's no juggling a schedule that steals our focus. For us, it's a priceless week. How blessed we are that our kids want to not only spend time with us, but that they are being spiritually fed and challenged as well. Knowing that our kids are being fed spiritually by young, enthusiastic Christ followers makes our week all the more amazing and helps draw their hearts closer to Christ.

Last summer we brought our 9-year-old to Indian Village. It was his first time, and, as expected, he had the time of his life. While my wife was at Mother & Son Conference in March, she was thinking through the changes in our 9-year-old this year. He's more confident, more grounded, actively sharing his faith, and taking his Bible to school every day. As she was considering all the changes that might have brought this about, it hit her that it was camp. He made his Christian walk his own this year and we have no doubt in our minds that his time at Indian Village was what God used to transform his life.

I don't think Forest Home can be completely understood until it's experienced. Thank you for making a place where everything else but Christ and family can be set aside. God does more in a few short days at Forest Home than can be accomplished in an entire year somewhere else.

Honestly, there's no more complete package anywhere.

~ Jeff // Family Camper
