# BLOCK PARTY

This year, Children's Winter Camp is going to be a PARTY! But not just any kind of party. We're going to do some *building*. We will build relationships. We will build our faith in Jesus Christ. We will learn about the work that God is building in each one of us. And, of course, we will build with some good old-fashioned blocks and bricks...with LEGOS. So, welcome to the BLOCK PARTY at Forest Home!

During their time at camp, your camper will join Brittany and Mason, two friends whose friendship was built on bricks and minifigures. But one day they come across a special brick, the "Brick of Hope." Together they decide to use the brick, only to be transformed into minifigures themselves! Come join the two friends as their adventure takes them into the suddenly not-so-pretend world of Legos as they seek the instructions from "The Builder" on their way back to "real" life.

Philippians 1:6 says, "being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus." Through the story of Brittany and Mason, it is our prayer that each one of your children will not only experience the love of Jesus Christ, but also begin to explore the amazing plan God has for each one of us and how He continues to build up each of us for His Kingdom.
